

“It is critical for teachers to understand that systematic phonics instruction can be provided in an entertaining, vibrant and creative manner.”

Report from the National Reading Panel

Key Elements for Implementation

Focus on curriculum and instruction

Voweletics™ provides supplemental curriculum that systematically and explicitly teaches the 18 different vowel sounds found in the English language and the varying vowel patterns that determine which vowel sound to use.

Voweletics™ ensures instruction can be delivered by all teachers successfully using scripted manuals, detailed step-by-step and easy-to-follow lesson plans, computer slideshow classroom teaching aides, an instructional DVD and other staff support.

Study of implementation

Voweletics™ clearly demonstrates the need for precise implementation to ensure its principles are successfully transferred to students and delivers aides to accomplish this implementation.

All site personnel

Voweletics™ encourages all personnel grades K-8th and resource teachers be trained in the **Voweletics™** principles to ensure successful, repeatable transfer of these principles. Training consists of one three-hour session with on-going support as needed.

Specific student learning goals

Voweletics™ sequentially steps through its principles using super memory techniques that make these goals attainable. These memory techniques include but are not limited to: (1) multi-sensory components: visual, auditory and kinesthetic (2) activities using combined use of the analytical left-brain and the creative right-brain (3) using association techniques to facilitate rapid comprehension and memory recall.

Intensive professional development

Voweletics™ offers comprehensive, engaging and easy-to-learn training.

Collaboration

Voweletics™ is designed to provide a consistent teaching method for all grades and teachers. This consistency is key to effective assimilation of the **Voweletics™** principles. The **Voweletics™** principles form the key foundation for successful reading literacy.

Voweletics™ on-going training, charts and posters make transfer easy.

Ongoing follow-up, support, & technical assistance

Voweletics™ provides an Instructional DVD for 24/7 teaching assistance. Teachers are able to go to any teaching concept in the **Voweletics™** reading program and view the teacher modeling the teaching process. **Voweletics™** webinars, conference calls and e-mail provide on-going support.

Formative and summative evaluation

Voweletics™ has built-in assessment activities for quick teacher assessment. **Voweletics™** generates genuine enthusiasm for students and they are actively engaged in the learning process. Learning.
