

## Supplemental

-**Voweletics™** addresses the needs for both the proficient and struggling readers

-**Voweletics™** provides additional teacher directed small group exercises, buddy reinforcement activities, one-on-one reinforcement activities and expansive web activities tied into the core **Voweletics™** principles

-**Voweletics™** is research and evidence based

-**Voweletics™** generates an exciting, effective and fun-filled learning environment

-**Voweletics™** carefully coordinates teaching lessons with extended reinforcement activities for immediate feedback

-**Voweletics™** provides quick, easy data analysis to assess student progress

## Core

-**Voweletics™** is optimally designed to be presented to the whole class

-**Voweletics™** accelerates reading for *ALL* students

-**Voweletics™** provides quick, easy assessment of student's ability to grasp its principles

-**Voweletics™** is research and evidence based

-**Voweletics™** generates an exciting, effective and fun-filled learning environment

-**Voweletics™** principles are relevant for all learners

-**Voweletics™** provides relevant structural analysis for readers of all ages

-**Voweletics™** incorporates all five key components identified by the National Reading Panel as key for effective reading instruction

-**Voweletics™** provides systematic and explicit instruction

## Intensive

-**Voweletics™** addresses the needs for both the proficient and struggling readers

-**Voweletics™** principles are easily transferred from mentor-to-mentor for repetitive reinforcement using the same teaching method ensuring maximum opportunity for student assimilation

-**Voweletics™** is research and evidence based

-**Voweletics™** generates an exciting, effective and fun-filled learning environment

-**Voweletics™** provides extensive activities both teacher and web-based

-**Voweletics™** incorporates its structural analysis method into *ALL* academic areas for *ALL* students providing essential collaboration necessary for struggling readers

-**Voweletics™** provides quick, easy data analysis to assess student progress
